*Supporting the work of
Community Health Alliance.*

May 2023

Dear Supporter,

We are asking for your support of Community Health Alliance's Wine+Ribs fundraising event, an annual event to raise money to help provide primary care services, dental, behavioral health, low-cost pharmacies, nourishing food pantries, and more to over 26,000 patients.

Community Health Alliance has been breaking down barriers to health care since 2012 by providing comprehensive healthcare to every adult and child, regardless of their ability to pay. Community Health Alliance provides care at six health centers, in addition to OUR Place, the largest emergency housing provider for women and families in our community, through our Mobile Medical Center.

We would like to invite you to our 12th annual Wine+Ribs fundraiser on Saturday, August 19, 2023 at Idlewild Park. Enjoy an evening of great food, wine tasting, dancing, a wine pull, and live auction. Last year's event was a success; nearly 600 people attended the sold-out event, raising over \$150,000 to support the all-new Nell J. Redfield Health Center in Sun Valley.

Together, let us support Community Health Alliance's mission to provide our community with quality, respectful, and dignified healthcare.

Please take some time to read about the event to see how you can best champion health care here in northern Nevada.

Sincerely,

Oscar Delgado, MSW, MUP
Chief Executive Officer
