*Supporting the work of
Community Health Alliance.*

Dear Supporter,

We are excited to invite you to our 13th annual Wine+Ribs fundraising event on Saturday, August 17, 2024, at Idlewild Park.

As a healthcare champion, your support will help us raise funds to provide essential patient care services, including primary care, dental, behavioral health, low-cost pharmacies, and nourishing food pantries, to nearly 30,000 patients in our community.

Last year's event was a tremendous success, with nearly 500 attendees and almost \$200,000 raised. This year, we aim to surpass that achievement and make an even greater impact on the lives of those in need.

Join us for an evening filled with delicious food, wine tasting, dancing, a wine pull, and both silent and live auctions. It promises to be an unforgettable night in support of a worthy cause.

We kindly request your sponsorship for this event, which will not only showcase your commitment to improving health care but also provide excellent exposure for your organization. Your contribution will make a significant difference in fulfilling our community's need for quality, respectful, and dignified healthcare.

To learn more about the Wine+Ribs fundraiser and how you can become a healthcare champion, please read our sponsorship packet. Thank you for considering our request, and we look forward to hearing from you.

Sincerely,

Oscar Delgado, MSW, MUP
